

Description

- This set combines two amenity trays with sophisticated design and ideal functionality for professional environments such as hotels, spas, and guest accommodations.
- Includes:
 - 1 rectangular tray (30 x 15 cm) with an elegant black finish, heat-resistant, perfect for organized presentation of amenities.
 - 1 compact tray (15 x 12 cm) with 4 compartments, ideal for practical product separation.
- Both trays are made of high-quality melamine, water- and heat-resistant, easy to clean, and equipped with adhesive anti-slip pads to ensure stability and safety on surfaces.
- A versatile and refined solution for those who value sophisticated presentation.
- Amenities not included.
