

## Description

The White ABS Automatic Hand Dryer is the ideal solution for hotels, restaurants, shopping centers, clinics, and other commercial establishments seeking efficiency, hygiene, and convenience in high-traffic areas.

- With a modern design and white ABS finish, this dryer offers high performance and low energy consumption, making it perfect for public restrooms and professional environments.
- Automatic sensor operation: Electronic detection technology activates the dryer when hands are nearby, providing touchless hygiene and preventing energy waste.
- 1,650W power: Fast and efficient drying in just 10 to 20 seconds, thanks to the powerful motor and air speed of 18m/s (64.8 km/h).
- Adjustable hot and cold air: Allows you to select the ideal temperature for different needs and seasons.
- Low noise level: Acoustic pressure of only 62 dB, ideal for environments that require silence and discretion.
- Strength and durability: Made of high-quality ABS, resistant to heavy use and easy to clean.
- IPX1 water splash protection rating, automatic shut-off after 60 seconds, and safe operation at 220-240V.
- Dimensions: 29 x 23 x 17 cm (height x length x width).
- Benefits for Hotels and Commercial Establishments:
  - Economy and sustainability: Eliminates the use of paper towels, reducing operational costs and environmental impact.
  - Simplified maintenance: Easy access for internal and external cleaning.
- Installation Recommendations:
  - Install at least 1 meter from any water source.
  - Avoid direct exposure to water and blocking air inlets and outlets.
- To activate, bring hands within 5 to 20 cm of the sensor. The dryer turns off automatically 3 seconds after hands are removed.
- Maintenance work should be carried out by qualified personnel, electricians, or maintenance technicians.
- At least twice a year, the casing should be disassembled and any dust, dirt, or particles that may have adhered to the inside of the dryer should be removed.
- Clean the casing with cleaning products specifically indicated for metallic surfaces.
- 1-year warranty
