

Description

Keep your spaces clean and safe with the black melamine water ashtray, ideal for indoor and outdoor environments. With a compact (10,5 x 4,5 cm) and modern design, this ashtray is perfect for terraces, building entrances, smoking areas, hotels, cafés, restaurants, and local accommodations.

- Made from heat-resistant melamine, the ashtray features a compartment for adding water, making it easy to quickly extinguish cigarette butts and reduce unpleasant odors. This functionality increases fire safety while providing practical and hygienic maintenance.
- Its discreet black finish easily fits any décor, ensuring elegance and functionality in any professional or domestic setting.
- Main features:
 - Material: High-resistance melamine
 - Color: Black
 - Dimensions: 10,5 x 4,5 cm (diameter x height)
 - Ideal for: Smoking areas, commercial spaces, common areas, and outdoors
 - With space for water in the base: quick extinguishing of cigarette butts and reduced odor spread
 - Easy to clean and reusable

Opt for a practical, safe, and stylish solution for your space. The black melamine water ashtray is the smart choice for those who value hygiene, aesthetics, and durability.
