

Description

The Calisto Black 2000W hair dryer with stand is the ideal choice for those seeking a powerful, stylish, and easy-to-install professional hair dryer for hotels and local accommodations.

- With 2000W of power, this hair dryer offers 6 drying settings, a cool air button, and an ionizer system, ensuring fast results, shiny, and frizz-free hair.
- The brushless motor ensures a very long lifespan, making it perfect for intensive use.
- The kit includes a universal stand adjustable up to 180°, pre-wired for quick and practical installation, easily adapting to any space.
- Manufactured in France with high-quality materials such as ABS and polycarbonate, the Calisto Black 2000W hair dryer stands out for its modern design and sophisticated black color.
- The removable diffuser, detachable rear filter, and 2.27-meter cable provide greater flexibility and ease of maintenance.
- Features:
 - High-durability brushless motor
 - Power: 2000W
 - 6 adjustable drying levels
 - Integrated ionizer system
 - Cool air button
 - Removable rear filter
 - Diffuser included
 - Stand adjustable up to 180°
 - Material: ABS and polycarbonate
 - Color: black
 - Protection class: Class II
 - Cable length: 2270mm (stretched)
 - Warranty: 3 years

Ideal for those looking for a powerful, durable hair dryer with ionic technology and practical installation.
