

Description

The vanity kit is one of the essential hotel amenities that combines functionality and sustainability. This set includes 1 nail file, 1 hair tie, 1 sewing kit, 3 cotton pads, and 3 wooden cotton swabs, all packed in elegant and innovative stone paper with an easy-open system, providing practicality and elegance to the bathroom.

- Ideal for hotels, guesthouses, resorts, and boutique hotels, this hotel amenity kit offers guests a complete personal care experience with a focus on environmentally friendly products.
- Each unit is individually sealed, ensuring total hygiene and a touch of sophistication.
- The packaging is FSC® certified, ensuring that it comes from sustainable sources.
- The disposable products in this line are made with materials such as PSM, making them biodegradable and in line with the trend of ecological and sustainable amenities.
- Available in boxes of 500 units, this kit is ideal for those looking for sustainable hotel amenities, personal care kits, or eco-friendly amenities.

Choose sustainable hotel amenities and set your service apart with premium, eco-friendly hygiene products.
