

Description

30-liter square pedal bin with brushed stainless steel finish, ideal for hotel kitchens, accommodations, and service areas.

- The brushed stainless steel structure provides a modern, professional look as well as corrosion resistance and greater durability.
- Includes a **soft-close lid system**, ensuring a smooth and silent closing for comfort in daily use.
- With a **removable inner bucket**, it makes cleaning and bag replacement easy.
- The sturdy pedal allows for hands-free opening, reinforcing hygiene practices.
- Features:
 - Capacity: 30 liters
 - Dimensions: 54 x 30 x 29 cm (height x length x width)
 - Color: Brushed Stainless Steel. Also available in Black ([CB6938P](#))

Get your brushed stainless steel pedal bin now: functionality and elegance for hotel and accommodation kitchens.
