

Description

Create a unique experience in your hotel with our customized welcome trays for coffee and tea.

- Tailor-made, they can be produced in solid wood, MDF, beech veneer or synthetic leather, in any color, size or shape.
- Receive a personalized proposal and 3D visualizations before production, ensuring that every detail fits perfectly with the style of your rooms.
- Our custom trays stand out for their durability, aesthetics and functionality, making them a practical and elegant solution for your space.
- Minimum production: 200 units per reference.
