

## Description

The 30L stainless steel ashtray bin is the ideal choice for hotels, restaurants, offices, and public areas that want to combine functionality with modern design.

- Made of 410 stainless steel with a brushed fingerprint-proof finish, it maintains a clean and sophisticated look even in high-use environments. The integrated top ashtray and the side-opening waste bin provide a practical solution for managing both cigarette butts and trash.
- With a thickness of 0.6 mm, this bin ensures durability and strength.
- Its 30-liter capacity and dimensions of 31.5 x 25.5 x 69 cm (length x width x height) make it suitable for high-traffic areas.
- Key features:
  - 410 stainless steel structure with brushed fingerprint-proof finish;
  - Capacity: 30 liters;
  - Stainless steel thickness: 0.6 mm;
  - Dimensions: 31.5 x 25.5 x 69 cm (length x width x height);
  - Integrated top ashtray and side waste bin;
  - Modern, durable, and easy-to-clean design;
  - Ideal for hotels, restaurants, offices, and common areas.

Add this stainless steel ashtray bin to your order today and ensure a cleaner, more modern, and functional space.
