

Description

The foldable rectangular laundry cart is a practical and durable solution for hotels, restaurants, hospitals, and professional spaces that require efficiency in collecting and transporting laundry.

- Made of 201 stainless steel with 0.8 mm thickness, it ensures durability even under intensive use. The foldable structure makes storage easier when not in use, taking up less space.
- The removable blue bag comes with the frame and is ideal for hygienic laundry collection.
- Equipped with 4" wheels (2 with brakes), it guarantees smooth mobility and easy maneuverability on different surfaces.
- Key features:
 - 201 stainless steel structure;
 - Polished finish with blue bag;
 - Thickness: 0.8 mm;
 - 25 mm square tube;
 - Product dimensions: 90 x 60 x 100 cm (length x width x height);
 - Bag dimension: 78.5 x 51.5 x 87 cm = 350 liters;
 - 4" wheels;
 - Foldable design for easy storage.

This laundry cart combines strength, practicality, and mobility, making it essential for housekeeping and laundry services in professional environments.
