

Description

Practical, hygienic, and sustainable solution for the hospitality industry.

- The shaving set includes 1 disposable razor made of biodegradable PSM material and 1 shaving cream tube A2 (10g), packed in easy-open FSC® stone paper packaging, an eco-friendly alternative to plastic.
- Each unit is sealed, ensuring total safety and hygiene until use. The use of recycled paper derived from stone and biodegradable materials reduces environmental impact, making this kit a responsible choice for hotels, guesthouses, and hospitality units that value sustainable practices.
- Key features:
 - Box with 500 individually sealed units;
 - Includes 1 biodegradable PSM razor;
 - Includes 1 shaving cream tube A2 of 10g;
 - Easy-open FSC® stone paper packaging, resistant and sustainable;
 - Hygienic, safe, and single-use product.

Reduces environmental impact and promotes sustainable practices.
