

Description

- The Mattress Protector is the ideal solution to ensure maximum protection and comfort in standard cribs. With a composition of 50% cotton and 50% polyester, this protector offers the hospitality quality you are looking for, ensuring durability and resistance to frequent use.
- Prepared to prevent shrinkage, the protector is pre-washed, maintaining its original dimensions and shape even after several washes. Its towel-like texture provides a soft and pleasant feel to the skin, while the waterproof layer protects the mattress from liquids and stains, extending its useful life.
- Invest in mattress protection with a product that combines quality and functionality, ensuring a safe and comfortable environment for little ones. The Hotel Crib Mattress Protector is the right choice for those seeking excellence in every detail.
