

Description

- The Sachet Tray is the ideal solution for organizing and displaying sachets in hospitality environments. With an elegant and functional design, this tray has 4 compartments, allowing for practical and accessible arrangement of various items.
- **Measuring 55 x 160 x 130 mm**, the tray is made of poly leather, a material that combines durability and refined aesthetics. Its beige/sand finish adds a sophisticated touch, making it perfect for decorating spaces such as reception areas, hotel rooms, and common areas.
- The tray not only optimizes space but also enhances the guest experience by providing an organized and welcoming environment. Choose the Sachet Tray and transform the presentation of your welcome tray into a real highlight. Ideal for those seeking quality and style in storage.
