

Description

5x Magnifying LED Mirror – Rechargeable and Adjustable

High-quality hotel mirror featuring **5x magnification** and **uniform LED lighting** for flawless visibility. The **large articulated arm** and **flexible ball joint** provide a wide range of adjustment options, allowing precise positioning.

The **touch sensor button** on the mirror surface lets you **turn the light on/off and adjust brightness** easily.

Its **LED light ring** ensures even, shadow-free illumination with **daylight color (6200 K)** and **155 lumens of brightness**.

Equipped with a **rechargeable lithium-ion battery (3.7 V, 2600 mAh)**, it provides up to **30 hours of use** at low brightness or **10 hours at high**, and can be **replaced** when needed. **USB-C charging cable (1.5 m)** included.

Made from **brushed matte stainless steel (18/10)**, it combines durability, elegance, and corrosion resistance.

Rated **IP20**, suitable for indoor use.
