

Description

5x Magnifying LED Mirror – Rechargeable, Adjustable, Black Powder-Coated Finish

Premium-quality hotel mirror with **5x magnification** and **even LED illumination** for perfect visibility in any setting.

The **large articulated arm** and **flexible ball joint** allow a wide range of adjustments for optimal positioning.

The **touch sensor button** on the mirror surface lets you **turn the light on/off and adjust brightness** easily.

The **LED light ring** ensures shadow-free, uniform lighting with **daylight color (6200 K)** and **155 lumens** of brightness.

Powered by a **rechargeable lithium-ion battery (3.7 V, 2600 mAh)**, it offers up to **30 hours of use** at low brightness or **10 hours at high**. The battery is **replaceable** and **recharges via USB-C cable** (1.5 m included).

Made of **18/10 stainless steel** with a **black powder-coated matte finish**, it combines **modern design, durability, and corrosion resistance**.

Rated **IP20**, suitable for indoor use.

Technical specifications:

-

Magnification: 5x

-
