

Description

We present the Canterbury Welcome Tray with Drawer, an elegant and functional solution to enhance the in-room beverage experience in hotels.

This black tray, with a British design, is compatible with all Corby Canterbury kettles ([CW26498](#), [CW24496](#)), offering guests an optimized and organized space. Diameter of the space for the kettle of approximately 11,9 cm.

With a practical integrated drawer, it is ideal for storing tea and coffee sachets, as well as a spoon holder that ensures convenience for daily use. It also features a built-in drip tray that keeps the area clean and includes anti-theft safety measures that provide peace of mind for both guests and hotel management.

Made of durable ABS and PA, the Canterbury Welcome Tray with Drawer is 100% water-resistant and easy to clean, making it an indispensable addition to any guest room.

Its **dimensions of 6.2 x 25 x 21 cm (height x width x depth)** and light weight of 1.02 kg make it easy to handle and position in different spaces.

Enhance your guests' experience and add a touch of sophistication to your hotel with the Canterbury Welcome Tray with Drawer, the ideal choice for those who value quality, functionality, and style.
