

Description

The Corby Sliding Kit for Minibar allows hoteliers to seamlessly integrate minibars into guest room furniture. It is compatible with all Eton solid-door minibars, ensuring a perfect fit and easy installation, maximizing space and enhancing aesthetics.

With dimensions of 45 mm in height, 247 mm in width, and 9 mm in depth, it is a practical and efficient solution for any renovation or construction project.

Developed with British design, this product not only improves functionality but also adds a touch of sophistication to your space. It is the ideal choice for those looking to optimize the environment and offer guests an exceptional experience.

Invest in the Installation Kit and elevate the aesthetics of your hotel room.
