

Description

Wooden Hangers for Tall Wardrobes – Cross Model, PEFC-Certified Beech Wood

Elegant and durable hangers, ideal for **tall wardrobes in hotels, guest rooms, or dressing areas**. Made from **PEFC-certified beech wood (14-35-00110)**, ensuring **sustainably sourced and responsibly managed timber**.

Featuring a **long hook** and **cross-shaped design**, they provide excellent support for all types of garments, helping preserve their shape and prevent creases. The **natural varnish finish** highlights the wood's warm tone and grain, offering a refined and long-lasting appearance.
