

Description

Introducing the welcome kit tray, the ideal solution for providing a memorable reception to your guests. With an elegant square design and sand-colored finish, this tray combines functionality and aesthetics, making it a perfect addition to any hospitality setting.

Made from high-quality faux leather, the tray not only offers durability but also a sophisticated touch. With dimensions of **50 x 350 x 350 mm**, it is spacious enough to accommodate all the essential items of the welcome kit, such as kettles and cups, ensuring your guests have a warm experience from the first moment.

The welcome kit tray is more than just an accessory; it's an opportunity to impress and make your guests feel special. Invest in the quality and design your hotel deserves. Transform your guests' reception with the square welcome kit tray and stand out for your attention to detail.
