

Description

Discover the Radley 40L Black Hotel Minibar, the perfect choice for those seeking a hotel minibar with retro design and superior functionality. With its sleek black color, this 40L minibar combines charm and efficiency, making it ideal for enhancing your guests' experience.

The Radley stands out for its versatile design, allowing it to open both left and right, easily adapting to any environment. Its low-noise operation ensures a peaceful space, while the interior LED lighting adds a touch of sophistication to its contents.

Equipped with R600a refrigerant and cyclopentane insulation, this minibar is not only energy efficient but also offers excellent storage capacity, allowing you to offer a wide variety of drinks and snacks to your guests.

With dimensions of **56 x 40 x 42.5 cm** (height x width x depth) and a weight of 12.30kg, the Radley 40L Minibar is easy to install and fits perfectly in any space.

The Radley Minibar comes with a 4-year electrical warranty.

Enhance your service offering and provide a memorable experience for your guests. Invest in the Radley and transform your space into an even more welcoming and sophisticated place.
