**The beige jewelry box is available for delivery in Mainland Portugal within 24 to 48 hours. The black jewelry box has an estimated shipping time between 10 and 20 days.**

The Jewelry Box is the ideal accessory for hotels and accommodations that wish to offer guests a touch of luxury and practicality. Perfect for storing jewelry, watches, and small accessories, it combines functionality with an elegant and discreet design.

Crafted from MDF wood covered in synthetic faux leather with a velvet interior lining, it offers a smooth texture and additional protection for items. The sand or black finish adds sophistication, easily blending with any décor.

With dimensions of **40 x 350 x 150 mm**, it is compact, easy to clean, and extremely durable. We recommend using water and neutral soap, avoiding solvents or abrasive products.

Transform your workspace or hotel room with this jewelry box, which offers the perfect combination of aesthetics and convenience. Organize your space efficiently and impress with an accessory that reflects professionalism and care.
