

## Description

---

The 11 cm stainless steel tea and coffee spoon is the perfect choice for hotels that value durability and elegance in details.

Made from high-quality 18-10 stainless steel, it offers superior corrosion resistance and maintains its polished shine even after heavy use.

With a refined and functional design, it is perfect for accompanying tea or coffee, adding a touch of sophistication to hospitality services.

An indispensable accessory in welcome kits that enhances the experience and reinforces your hotel's care for each guest.
