

## Description

This universal ABS hair dryer holder is the ideal solution for hotels valuing organization and functionality combined with a discreet and elegant design.

With a black finish, it features compact dimensions of **9 x 11 x 9.5 cm (height x length x width)**, ensuring easy installation in any room or bathroom space without compromising the aesthetics of the environment. Includes wall plugs and screws for installation.

Designed to accommodate different models safely and practically, this accessory helps keep the equipment always at hand and protected against falls or damage.

Perfect for the hotel sector looking to optimize common areas with resistant, durable products that promote a more comfortable experience for guests.
