

Description

The wall-mounted hair dryer holder is the ideal solution for hotels that value organization and functionality in their spaces.

With an elegant black finish, this accessory combines durability and modern design, ensuring a safe and practical installation in any environment.

Developed to facilitate guests' daily routines and optimize bathroom space, it offers superior resistance thanks to the high-quality materials used in its manufacture.

Includes wall plugs and screws for installation.

Specifically designed for hotel purchasing directors and managers, it provides a professional touch that enhances the customer experience while keeping hair dryers always within reach.

Easy to install and compatible with various models, this holder perfectly complements contemporary environments.
