

Description

Discover a practical and elegant solution for organising paper tissues with this cube-shaped dispenser, ideal for sophisticated environments such as hotels, spas and local accommodation.

Designed for countertop use, this accessory combines functionality and design, fitting perfectly on office desks, bedside tables or relaxation areas. Made of **high-quality ABS**, it features a resistant finish that ensures durability against impacts, scratches and daily wear.

With **dimensions of 13.5 x 13.5 x 13 cm (length x width x height)**, the dispenser has a practical fitting base that allows easy movement as needed, adapting to cubic tissue boxes available on the market.

In addition to providing organisation, this dispenser is easy to clean and sanitise, maintaining the hygiene and care essential for professional and welcoming environments.

Enhance your customers' experience with an accessory that combines quality, resistance and contemporary design.
