

Description

Discover the perfect solution to organise and protect your hairdryer with this elegant bag made from 100% organic cotton.

With a lightweight 55 g/m² fabric, it offers a soft and natural touch. The drawstring closure ensures practicality and protection for the hairdryer when not in use.

With **dimensions of 35 x 30 cm**, it fits different models, making it ideal for hotels, guesthouses, boutique hotels and Airbnb spaces that value sustainable, high-quality products to provide a refined experience to their guests.

This model also allows customisation, giving you the opportunity to create a unique bag that reflects your establishment's identity, reinforcing the professional and refined image your guests value. Contact us for more information.

This bag combines functionality and sustainability, reflecting a commitment to the environment without compromising everyday usefulness.
