

Description

Discover the ideal solution to organise and protect dirty laundry with this **100% cotton laundry bag**, featuring a resistant 140 g/m² texture that ensures superior durability and quality.

With generous **dimensions of 70 x 50 cm (height x width)**, it offers enough space to accommodate large volumes of clothing, making laundry management easier in hotels, boutique hotels, guesthouses and Airbnb units.

The rope drawstring closure provides practicality and security, ensuring easy and worry-free transport.

This model also allows customisation, giving you the opportunity to create a unique bag that reflects your establishment's identity, reinforcing the professional and refined image your guests appreciate. Contact us for more information.

Ideal for those seeking functionality, sustainability and design, it is an essential accessory to maintain organisation and hygiene in any lodging space.
