

Description

Discover the perfect solution to protect and transport your hotel's hairdryer with this bag made from 100% cotton, ensuring durability and resistance.

With a high-weight 130 g/m² fabric, it offers a soft yet robust texture, ideal for keeping your equipment safe from dust and scratches. The **40 x 30 cm dimensions** fit most hairdryers, while the drawstring ensures a secure closure and easy handling.

Designed especially for hotels, guesthouses, boutique hotels and Airbnb units, this bag combines functionality with elegance.

This model also allows customisation, giving you the opportunity to create a unique bag that reflects your establishment's identity, reinforcing the professional and refined image your guests value. Contact us for more information.

A sophisticated choice that enhances your guests' experience, keeping the equipment protected and neatly organised.
