

Description

Enhance the standard of your establishment's amenities with the Anti-Frizz IONIC Stratus Hairdryer 1875W, specially developed for hotels, guesthouses, Airbnb and boutique hotels that value quality and guest comfort.

With a modern and functional British design, this hairdryer combines power and advanced technology to ensure a superior experience. Equipped with **IONIC technology**, it provides fast and effective drying, eliminating frizz and leaving hair smooth and shiny.

Its trigger-activation system offers greater safety and sustainability, while the two speeds and three temperature settings easily adapt to all hair types. With a powerful 1875W motor and 18,000 RPM, it ensures efficient performance, complemented by a removable filter for easy cleaning and a spiral cable that improves handling and prevents tangling.

The included concentrator nozzle allows precise drying and styling, ideal for demanding guests. Additionally, the double-insulated body and overheating protection ensure durability and safety, supported by a **4-year electrical warranty**.

Compact and elegant, with dimensions that facilitate storage at **24 x 17.8 x 7.3 cm (height x width x length)**, this hairdryer is the ideal choice for those seeking functionality, design and cutting-edge technology in a single device.
