

Description

Enhance the comfort and organisation of your spaces with the ABS Tissue Dispenser Cube Devon, the ideal solution for hotels, guesthouses, spas and Airbnb that value functionality and design.

Made of resistant ABS, available in black and chrome, this dispenser combines durability with easy maintenance, being rustproof and waterproof, perfect for demanding environments. With a removable base, refilling becomes simple and quick, saving time for cleaning teams and ensuring uninterrupted service.

Its compact and versatile design allows installation either on the wall or on any surface, adapting elegantly to bedrooms and bathrooms.

With **dimensions of 13 x 13.5 x 13.5 cm (height x width x depth)**, it offers a discreet and sophisticated solution to keep tissues always within reach of your guests, providing an even more pleasant and well-cared-for experience.
