

## Description

The Amenities Tray is the ideal solution for organizing and presenting amenities in hotel rooms, local accommodations or spas. With an elegant and functional design, it features 4 compartments, allowing a practical and accessible arrangement of different items.

- With **dimensions of 5.5 x 16 x 13 cm** (height x length x width), the tray is made of faux leather, a material that combines durability with a refined appearance. Its beige sand finish adds a sophisticated touch, making it perfect for enhancing bathroom spaces in hotel rooms and spas.
- The tray supports both organization and decoration, helping create a clean and well arranged environment.

Choose the Amenities Tray to elevate the presentation of bathroom amenities with a practical and stylish solution.
