

Description

The BIGFLOW EVO hand dryer in gloss gold was developed for spaces looking to combine performance, hygiene and a distinctive visual finish.

Made of stainless steel, this model offers high resistance to intensive use in hotels, restaurants, lounges, spas and other high-traffic sanitary facilities. Automatic activation through electronic sensor improves the user experience and reduces direct contact with the equipment.

The gloss gold finish stands out in sophisticated environments, while the anti-vandalism construction increases durability in professional settings.

- **Main features:**

- Stainless steel structure;
- Gloss gold finish;
- Automatic electronic sensor;
- Maintenance-free brushless motor;
- Power: 2050 W;
- Air temperature: 60 °C;
