

Description

The BIGFLOW EVO hand dryer in black combines durability, safety and a modern appearance for bathrooms in hotels, restaurants, shopping centers and other high-traffic spaces.

Made of stainless steel with a black finish, it stands out for its robust anti-vandalism structure, designed for intensive use in professional environments. Automatic activation through infrared sensor ensures hygienic and practical daily operation.

Equipped with a maintenance-free universal brushless motor, it offers stable performance and high durability. The adjustable sensor and automatic safety system make this hand dryer suitable for public facilities and high-use areas.
