

Description

The **beige canvas bag for the square laundry cart** is the ideal solution for hotels, spas, laundries, and hospitals seeking efficiency and organization in the management of dirty laundry.

With generous dimensions of 78.5 x 52 x 52 cm (height x length x width) and an approximate capacity of 200 liters, it offers ample space to store large volumes, facilitating transport between different areas of the hotel.

Manufactured from durable and hard-wearing beige material, **featuring a metal closure and the CuboHotel logo**, it ensures long-lasting use even under the most demanding conditions of the hospitality environment. Also available in a similar blue version ([CB2779AC](#)).

The square design allows a perfect fit on our square laundry carts: [CB2789](#) and [CB2789B](#).

This accessory combines functionality with the robustness required to maintain the quality of services provided by your hotel, spa, laundry, or hospital, ensuring an efficient workflow in the linen collection and delivery process.

Ideal for managers and procurement professionals who value practical and reliable solutions for the internal management of their establishments.
