Description

Add a refined finishing touch to guest bedrooms and bathrooms with the Buxton Cube Tissue Box Holder. Crafted from BUSA bamboo one of the world's most sustainable materials it offers a clean, contemporary aesthetic that complements modern hotel interiors. Designed to sit neatly over standard tissue box refills, the open-bottom construction allows for easy placement and replacement, while a discreet top slot ensures smooth access to tissues. Durable, practical and thoughtfully designed, this cover enhances in-room presentation while supporting more sustainable hospitality spaces.

Features:

- Made of BUSA bamboo
- Matt wood grain finish
- Suitable for bathrooms and bedrooms
- Open Base
- Color: Black
- Dimensions: 14,6 x 14,2 x 14,2cm (Height x Width x Depth)
- Weight: 0.49kg
