

## Description

This foldable stainless steel laundry cart is the ideal solution for hotels, hospitals and large facilities that require resistant and functional equipment.

With a **generous capacity of 230 liters**, it allows efficient transport of dirty or clean linen, facilitating daily logistics. The simple and practical design enables quick assembly in just a few minutes through its screwed system.

It includes a removable khaki bag made of synthetic canvas, ensuring easy cleaning and maintenance of the hygiene essential in this type of environment.

For greater versatility, the blue bag ([CB2779](#)) can be purchased separately, allowing the customization of the equipment according to operational needs.

Equipped with four swivel wheels, it offers excellent mobility and smooth handling even in confined spaces. When not in use, it can be easily folded, taking up little space thanks to its compact folded dimensions.

**Open dimensions:** 63 x 62 x 99 cm (length x width x height).

**Folded dimensions:** 63 x 27 x 116 cm (length x width x height).

Specially designed for hotel directors and purchasing managers, this cart combines durability, practicality and professional design, becoming an indispensable ally in the efficient management of your establishment's laundry.
