

Description

The folding grab bar with toilet roll holder is a practical and resistant solution for accessible bathrooms in hotels, hospitals, nursing homes, clinics and public sanitary facilities.

Made of AISI 304 stainless steel, it offers high resistance to corrosion and durability in humid environments and areas with frequent use. The folding system helps optimize space when not in use, while the integrated toilet roll holder adds extra functionality.

- **Main features:**

- Folding grab bar with toilet roll holder;
- Made of AISI 304 stainless steel;
- Tube diameter: 32 mm;
- Length: 77 cm;
- Suitable for adapted and accessible bathrooms.

Improve the safety and functionality of your facilities with a solution designed for professional use.
